Relevant Coursework

- Sound In Time
- Introduction To Western Music
- IB Music SL 1-2
- Band 1-8
- AP Music Theory 1-2
- Cognitive Science 3

Summary of Qualifications

- Demonstrated ability to persist and dedicate oneself to perform for the band, and play the trumpet for 8-9 years.
- Proficiency in a Digital Audio Workstation called FL Studio for 4 years, as well as Modular Synths such as the Moog Mother 32 for 2-3 years.
- Solid understanding of music theory, as well as music production, sound design, mixing, and songwriting.
- Ability to be able to manage projects efficiently, as well as maintaining patience during work.
- Proficiency in reading music, whether sheet music or without sheet music.
- Proficient management with Music Publishing account on Soundcloud.

Experience

Intern, Boutique Pedal NYC, San Diego, CA. (Jun 2022-Sept 2022)

- Worked 3 months for packaging boxes for delivering modular synths to different customers.
- Assisted the business owner with the testing of certain modular synths, how they sounded, what other hardware they were compatible with, and if they worked effectively.
- Helped with musical recordings for performances with said modular synths in order to advertise products. This was through helping setting up recording equipment, as well as synthesizer assembly.

Volunteer for "Folk Arts Rare Records" Shop Modular Synth Performance(s) (June 2023)

- Worked for setting up the Speakers for these performances, as well as recording equipment in general.
- Assisted with the assembly for modular synths as well, by checking where each output and cord wen into the hardware.

Activities

- **Trumpet Player**, Pep Band, UCSD (Oct 2023-Present)
- **Student Member**, Key Club, SDHS (March 2022-May 2023)
